

EMR CIRCULAR 22 – ATTACHMENT ONE

This document provides the changes that have been identified and will be needed to the Data Transfer Catalogue (DTC) if DECC progress the 'HHDA metering solution' (option B) for its Energy Intensive Industry (EII) policy.

These changes are based on [DTC CP3431](#), which is due to be implemented on 26 February 2015.

- Change D0354 name to '~~Capacity Market~~ EMR Reporting Notification'
 - Change flow description to 'Supplier notification to HHDA of Metering Systems to be reported in relation to ~~EMR the Capacity Market~~. To be used for both initial notification and for updates.
 - Change 14I group to '14I ~~EMR Capacity Market~~ Reporting Notifications'.
- Change D0355 name to '~~Capacity Market~~ EMR Reporting Confirmation'
 - Change flow description to 'Used to notify a Supplier that their ~~EMR Capacity Market~~ Reporting Notification has been accepted, including verification of the notification'
 - Change 16I group to 'Confirmed ~~EMR Capacity Market~~ Reporting Notifications'
- Change D0356 name to '~~Capacity Market~~ EMR Reporting Rejection'
 - Change flow description to 'Notification to the Supplier that the ~~Capacity Market~~ EMR Reporting Notification has been rejected, giving the reason for rejection.'
 - Change 18I group to 'Rejected ~~Capacity Market~~ EMR Reporting Notifications'
- Change D0357 name to Half Hourly Metered Data for ~~EMR the Capacity Market~~
 - Change flow description to 'Half Hourly metered data for use by the CM Settlement Services Provider in calculating CM data ~~and by the CFD Settlement Services Provider in calculating CFD data~~.'
 - Add to flow communication: ~~From HHDA To CFD Settlement Services Provider~~
 - Change group 21I name to '~~Capacity Market~~ EMR MPAN Cores'
 - Change group 22I name to 'Settlement Period ~~Capacity Market~~ EMR Metered Data'
 - Change group 24I name to '~~Capacity Market~~ EMR MPAN Cores'
 - Change group 25I name to 'Settlement Period ~~Capacity Market~~ EMR Metered Data'
 - Change recipient of flow to include the ~~CFDSSP~~. The ~~CFDSSP~~ and ~~CMSSP~~ (collectively referred to as the ~~EMRSSP~~) will use the same MPID and role code.
- Change Data Item J1871 name to '~~Capacity Market~~ EMR Reporting Rejection Reason Code'
 - Change description to 'A code which defines why the ~~EMR Capacity Market~~ Reporting Notification has been rejected.'
- Change item description for J1869 to 'A Data Aggregator's view of the first inclusive settlement date that an MPAN is reported for ~~EMR the Capacity Market~~.'
- Change item description for J1870 to 'A Data Aggregator's view of the last inclusive settlement date that an MPAN is reported for ~~EMR the Capacity Market~~.'
- Change J1873 name to 'Period ~~Capacity Market~~ EMR Line Loss'
 - Change description to 'The Half Hour Line Loss for a Half Hourly Metering System used for ~~EMR the Capacity Market~~.'
- Change J1872 name to 'Period ~~Capacity Market~~ EMR Line Loss'.
 - Change description to 'The Half Hour metered data for a Half Hourly Metering System used for ~~EMR the Capacity Market~~.'
